- Ref:-**
1. No:BCU/Syn/Equi.Committee/335/2021-2022 dated:29.01.2021
  2. Report of the equivalence Committee dated:16.06.2022
  3. Resolution of the Syndicate at its meeting dated: 18.06.2022.

\*\*\*\*\*

The Bengaluru City University is running M.Sc Plant Science and M.Sc Animal Science Courses from the Academic year 2019-2020. The students of the said Courses are requesting the University that M.Sc Plant Science and M.Sc Animal Science Courses syllabus, curricular and syllabi contents of these programs offered at Bengaluru City University are similar curricular and syllabi contents of M.Sc Botany and M.Sc Zoology programs offered in the Universities of Karnataka State.

Due to change in nomenclature of these courses, the students are facing problems in the appointments. In this regard a syndicate sub-committee was constituted to study the aspects of the courses and to recommend for consideration to change the nomenclature in respect of M.Sc Plant Science and M.Sc Animal Science equivalent as M.Sc Botany and M.Sc Zoology. The Committee after deliberations of the recommendation of the concerned Board of studies has recommended to consider above courses as M.Sc Botany and M.Sc Zoology.

Pursuant to the resolution of the syndicate dated:18.06.2022, M.Sc Plant Science and M.Sc Animal Science courses are considered equivalent to M.Sc Botany and M.Sc Zoology, and accordingly the marks cards above courses will be issued as M.Sc Botany and M.Sc Zoology.

**By Order**
