Sir/ Madam,

**Subject: Creating of ABC ID by the students**

Refer to our earlier circular dated 27.03.2023 regarding creating of ABC IDs by the students of the college affiliated to BCU. So, far only 15300 students have created their IDs and the rest have not. It was informed to all the principals that creating ABC ID is a must for all the students in order to get their academic achievements through Digilocker. Also, if students fail to create their ABC IDs it would be difficult to transfer their academic credentials from university portal to NAD and the students may not be able to download their marks cards and degree certificates.

Therefore, all the principals are hereby informed to encourage their students and create their ABC IDs at their earliest. However, **LINK** is attached with this letter to help the students creating ABC IDs

In spite of their reminders, if the colleges fail to encourage their students to create ABC IDs, they would attract penalty and the university will not be able to announce the results and issue necessary certificates to the students.
